"**Open Source, Crowd Source.**" Invited paper and presentation at the Bridging Worlds 2008 conference in Singapore, October 17, 2008.

National

"**Subject Snapshots: Using Data to Create a Picture of Collection Use.**" With Cristina Tofan. LITA Forum 2011. October 1, 2011.

"**Implementing User Experience Design.**" With John Blyberg. *Internet Librarian* 2010. October 26, 2010.

"**Learning to See: Using Data for Decisions.**" *Internet Librarian* 2010. October 25, 2010.

“Top Technology Trends 2010.” Panelist. American Library Association Annual Meeting 2010. June 28, 2010. Washington, DC.

“Instant Messaging Reference with Libraryh3lp.” With Cindy Judd and Steve Frye. WiLS Open Source Solutions webinar series. March 18, 2010.

“The Ultimate Debate: Has Library 2.0 Fulfilled Its Promise?” Panelist. American Library Association Annual Meeting 2009. July 13, 2009. Chicago, Illinois.

“ERM: What do you do with all that data, anyway?” With Anna Creech. Computers in Libraries 2009, Arlington, VA, March 30, 2009.

“Thx 4 the txt: Communicating with Users in their Space.” With David Lee King and Rachel Van Noord. American Library Association Midwinter Meeting 2009, Denver, CO, January 25, 2009.

“Survival of the Twitttest: Next-Generation Professional Development.” With Jezmyne Westcott. Internet Librarian 2008, Monterey, CA, October 22, 2008.

“Survival of the Twitttest: Next Generation Professional Development.” With Jezmyne Westcott. ACRL Poster session, ALA Annual meeting, Anaheim, CA, June 28, 2008.

“LibGuides” an online presentation for the BIGWIG Social Software Showcase, ALA Annual meeting, Anaheim CA, June 28, 2008.

“From WoePAC to WOW!PAC: Next Generation Catalogs for Libraries.” Panelist. Computers in Libraries 2008, April 8, 2008, Arlington, Virginia.

“Ten Seconds to Photo Perfection.” “Cybertour,” Computers in Libraries 2008, April 8, 2008, Arlington, Virginia.

“Copyright 2.0: User-Generated Content” Panelist. The Charleston Conference, November 8, 2007, Charleston, South Carolina.

“Ten Seconds to Photo Perfection with Picasa” Internet Librarian 2007, October 30, 2007, Monterey, California.

“Facebook Applications for Libraries” Internet Librarian 2007, October 30, 2007, Monterey, California.

“We’re not in Kansas Anymore: Integrating Library Resources into Course Management Systems” Electronic Resources & Libraries 2007, February 24, 2007, Atlanta, Georgia.

“Evolving the Resolving: OpenURL” Panel presenter at the Special Libraries Association Annual Conference, June 12, 2006, Baltimore, Maryland.

“OpenURL,” “Firefox,” and “Instant Messaging” Three “Cybertour” presentations at Computers in Libraries, March 2005, Washington, D.C.

“The Long and Winding Road: Evolution of Ejournal Management Tools.” Panelist. Internet Librarian, November 14, 2004, Monterey, California

Regional

"Moving Forward: Trends and Tools for Today's (and Tomorrow's) Libraries." SWON Libraries Support Staff Symposium, April 17, 2008, Dayton, Ohio.

State

"Students are Students: Equivalence & Distance Education." With Todd King and Brad Marcum. Kentucky Library Association 2010. September 16, 2010.

"UX @ Your Library: Improving the User Experience." With Todd King and Cristina Tofan. Kentucky Library Association 2010. September 17, 2010.

"Adventures in the Stacks: How we learned (not to) weed." With Laura Edwards. Kentucky Library Association Academic & Special Section Joint Conference. April 29, 2010.

"Presentations with Pizazz." Kentucky Library Association 2009. October 1, 2009. Louisville, Kentucky.

"Managing by the Seat of our Pants." With Betina Gardner and Julie George. Kentucky Library Association 2009. October 2, 2009. Louisville, Kentucky.

"Librarian Boot Camp." Panelist. Kentucky Library Association 2009. October 1, 2009. Louisville, Kentucky.

"Next-Generation Catalog Landscape." With Kelly Smith and Cindy Judd. KLA/KSMA/ARL National Diversity Conference 2008, Louisville, Kentucky, October 3, 2008.

"Social Tools, Social Libraries." Ohio Library Council Supportive Staff Conference 2008, Columbus, Ohio, September 24, 2008.

"Web 2.0 @ ECU Libraries." Panelist. Kentucky Library Association Joint Spring Meeting (KLA Academic & Special Sections and the Kentucky Chapter of SLA), April 23, 2008, Cumberland Falls, Kentucky.

"Do you Really Get What You Pay For? A Survey of For-Purchase and Open Source Next-Generation Catalog Enhancements," With Jezmyne Westcott. 3rd Annual Statewide California Electronic Licensing Consortium (SCELC) Colloquium. March 5, 2008, Los Angeles, California.

"Moving forward: Trends and Tools for Today's (and Tomorrow's) Academic Libraries," 3rd Annual Statewide California Electronic Licensing Consortium (SCELC) Colloquium. March 5, 2008, Los Angeles, California.

"Decision and Outcome: CONTENTdm at The Claremont Colleges" Panelist. Southern California Electronic Library Consortium (SCELC) Colloquium II, Los Angeles, California, March 7, 2007.

"IM Who IM" With Locke Morrissey. California Association of Research Libraries, Northern I.T. Interest Group's "Demystifying Virtual Communication" workshop, August 25, 2006 and December 15, 2006.

"TLC for Your PCs: Maintaining them for (Almost) Free" Pre-conference workshop presented at several Kentucky Library Association section conferences, April 2000 and October 1999.

"Access to Internet Resources" Panelist. Kentucky SOLINET User's Group meeting, December 3, 1999.

"Internet Access: Challenges and Dilemmas" Panel presenter at the Kentucky SOLINET User's Group meeting, December 4, 1998.

"Managing the Internet: Concerns and Solutions" Panelist. Kentucky Library Association annual conference, October 24, 1998.

"Where the Bodies Aren't: Providing Technical Support with a Small Staff and a Large User Group" Kentucky Library Association Special & Academic section and Kentucky Chapter of Special Libraries Association spring conference, April 17, 1998.

Local

"Is Pedagogy Lagging Behind Technology?" EKU Teaching and Learning Center, February 14, 2008.

"Using Web 2.0 Technologies in the Classroom" EKU Teaching & Learning Center, October 15 & 16, 2007.

"Innovative Academic Library Spaces: an Odyssey" Presentation detailing the redesign and renovation of six top private academic libraries, for EKU faculty and staff, July 25, 2007.

Creative Works

"Bracelen," in Crabbe Library, Eastern Kentucky University, Richmond, Kentucky. Installation of a portrait of local author and former Writer-in-Residence Charles Bracelen Flood, 2015.

"Nature's Humans," Giles Gallery, Richmond, Kentucky. January - February 2011.
This juried exhibit featured work from 34 artists, including the photograph "Sisters."

"The Permanent Now: Photography and the Human Experience." April 2010.
Unpublished essay: <http://works.bepress.com/cinditrainor/9/>

"The Darien Statements on Libraries and Librarians." April 2009.
This document was the result of a week-long collaboration among three librarians and serves as the philosophical foundation for my library work. <http://works.bepress.com/cinditrainor/6/>

"UTOPIA!" Millard Sheets Gallery, Pomona, California. September - October 2006.
Two photographs were featured in this international juried exhibit during the Los Angeles County Fair.

Photographs have appeared in the *New York Times*, *Library Journal*, *School Library Journal*, *LIBREAS*, *American Libraries*, and *Digitale Bibliothek*, and have been used by librarians on numerous websites, blogs, social networking sites and book jackets.

"Online Full-Text E-Journals." Web-accessible database of electronic journals held by the University of Kentucky. Available at the Internet Archive: <http://bit.ly/7jrW3B>.

Women's Studies Program website for the University of Kentucky. Available at the Internet Archive: <http://bit.ly/65wFlp>. Maintained 1999 - 2001.

"1937 Aerial Photographs of Fayette County, Kentucky," web-based, digitized historical aerial photographs linked to a current street map. Maintained 1998 - 2001; no longer accessible.

Women's Studies Videos. Web-accessible database of women's studies-related videos available in the Women's Studies Program Resource Room or the UK Libraries. Created 1999. Available at the Internet Archive: <http://bit.ly/7ChVHe>.

Teaching

“LibGuides Accessibilty.” With Michelle Lustig. Online for Furman University, June 2016.
<http://scholarexchange.furman.edu/web-accessibility/2/>

“Deciding with Data.” With Cristina Tofan. A four-week, asynchronous online learning course offered by the Association of College & Research Libraries. Spring 2011 and Spring 2012 <http://bit.ly/hvm60Z>

“Engaging, Interesting and Practical Presentations to Capture Your Audience.” With Anna Creech, Amy Buckland and Maurice Coleman. Post-conference workshop at Computers in Libraries 2011. March 24, 2011.

“1,000 Words: Telling Stories with Photos in Our Libraries.” With Michael Porter and Helene Blowers. Full-day preconference workshop presented at the American Library Association Annual Meeting 2009. July 10, 2009. Chicago, Illinois.

“LibGuides Re-Boot Camp.” Full-day session designed to assist library liaisons in the updating of subject guides for the web. ECU Libraries, May 28, 2009.

“Digital Photographer Bootcamp.” With Michael Porter and Michael Sauers. Half-day, preconference workshop presented at Computers in Libraries 2009, Arlington, VA, March 29, 2009.

“LibGuides Boot Camp.” Three half-day sessions designed to introduce library liaisons to the creation of subject guides for the web. ECU Libraries, May 1 & 2, 2008.

“ECU Library Learning 2.0” A ten-week, self-paced staff development program for ECU Library faculty and staff designed to teach them about and lead them to discover “web 2.0” technologies, from blogs to wikis and everything in between. Convener of a ten-person committee that designed and delivered the content. July 2 - October 8, 2007.

“Web 2.0 Technologies in Libraries” Full-day workshop for library staff covering the use of emerging technology in libraries, from blogs and RSS to Myspace.com and SecondLife, January 2007.

“Higher Education and Library Services in SecondLife” November 30, 2006, The Claremont Colleges.

“Introduction to Sakai” Several workshops for library staff and Claremont Colleges teaching faculty, summer and fall 2006.

“Instant Messaging Reference with GAIM” Training for reference librarians, August 2006.

“Introduction to Outlook Calendaring” Training for library staff, February 2005.

“RefWorks Inservice” Training for Claremont librarians, August 2004.

“Article Linker Inservice” Training for library staff, August 2004.

“Don’t be the One!” Email and anti-virus safety training for libraries staff, Summer 2002.

“Windows Skills for Voyager” Training for UK Libraries staff, May 2000.

“Creating Databases Using FileMaker Pro” Training for UK Libraries staff, March 1999.

“The Eighth Habit: Managing Your Computer Files and Electronic Mail” Training for UK Libraries staff, May and June 1997.

Professional Contributions / Service

American Library Association, Library Information Technology Association (LITA)

Immediate Past President, 2014 - 2015

President, 2013 - 2014

Vice-President / President-Elect, 2012 - 2013

Executive Committee, 2011 - 2014

Board Member At-Large, 2010 - 2012

Web Coordinating Committee, 2009 - 2010, Board Liaison, 2010 - 2012

Assessment and Research Committee, Board Liaison 2011-2012

Online Programming Task Force, 2009 - 2010

Charged with exploring and recommending a systematic approach for sharing LITA content online.

Electronic Participation Implementation Task Force, March - July 2009

Charged with creating documentation and tutorial information for bringing remote members into committee and other meetings.

Library Hi-Tech Award Committee, 2007 - 2008, 2008 - 2009 (chair), 2009 - 2010

Charged with soliciting and deliberating nominations and choosing an award winner each year.

Top Tech Trends Committee, 2008 - 2010

Charged with planning, setting up, and remotely sharing the Top Technology Trends panel sessions at ALA Midwinter and Annual meetings.

BIGWIG: Blogs, Interactive GroupWare and Wikis Interest Group, 2007 - 2010

Member and presenter for the group's Social Software Showcases, 2008 & 2009.

Special Libraries Association, Information Technology Division

Member Services Committee (Chair, 2001 - 2002)

Contacted new and recently deactivated members, gathered and reported member statistics and coordinated Division awards.

Chair-Elect, June 2002 - January 2003

Conducted all Division fund-raising activities for 2003 annual conference. Responsibilities relinquished in January in anticipation of maternity leave in June, during the annual conference.

Kentucky Library Association

Information Technology Round Table, 1998 - 2000 (Chair, 1999 - 2000)

Communicated with members, convened meetings at KLA conferences; organized and staffed the KLA Annual Conference IT Help Desk; edited and published the round table newsletter.

KLA Fall Conference Planning Committee, 1998 - 1999

Attended Board meetings and assisted with Annual Conference planning

Special Libraries Association, Kentucky Chapter

Board Member At-Large, 1999 - 2001

Organized and publicized board meetings.

Web Committee, 1997 - 2001 (chair, 1999 - 2000)

Designed and created the Chapter's first website.

Newsletter Editor, 1997 - 2001

Edited and published newsletter using PageMaker; published first electronic editions of newsletter as PDFs.

Public/Community Service

Veterans' Park Elementary School

- Technology Committee, 2011-2012

Lexington Montessori School, June 2009 - present.

- Created and maintained the school website, 2013 - 2014
- Website committee, fall 2011
- School library overhaul and reorganization, summer 2009
- Provided information literacy instruction for elementary students, November 20, 2009

Institutional Service - Eastern Kentucky University

Technology Accessibility Council (member), 2012

Charged with evaluating technology accessibility at Eastern Kentucky University and charting a path for inclusion of accessibility planning in procurement, coursework and support, and with educating the University community regarding technology accessibility.

Faculty Outreach Advisory Team (member), 2011 - 2012

Charged with planning and implementing strategies to reach out to teaching faculty to promote library resources and services.

Natural and Applied Science Liaisons Cohort (chair), 2011 - 2012

Charged with supporting the Natural and Applied Sciences faculty through Collection Development and Outreach Services.

eCampus Technology Committee (member), Blackboard Subcommittee (chair), 2010

Charged with investigating and articulating needs for technology to support the expansion of EKU's online programs.

Institutional Repository Steering Committee, 2010 - 2012

Charged with planning and implementing EKU's instances of Digital Commons and Selected Works.

Promotion Committee, fall 2009

Charged with reviewing candidate(s)' promotion materials and writing recommendation letter to the Dean of Libraries.

Online User Experience Team (UX) (founder and chair), January 2009 - 2012

Take ownership of and improve all aspects of the libraries' web presence, from the library website to the catalog, from SFX to LibX, and from Facebook to flickr.

Library Liaison to English, July 2008 - 2011, Geography & Geology, July 2007 - 2012, Computer Science 2011 - 2012

Attend department meetings as appropriate, provide library instruction as requested, provide regular communication to faculty regarding new library services and resources, create subject specific guides, expend subject monograph funds, act as steward for subject journal subscriptions.

Academic Technology & Computing Committee, January 2008 - 2011

Plan for technology projects and communicate library projects with other Academic Technology units

Web Advisory Group (chair), May 2007 - December 2008

Tasked with redesigning the Libraries' web site and implementing LibGuides, a web-based service for creating web-based guides to library resources, arranged by subject.

Coordination Team, May 2007 - November 2012

Participate in administration, management and planning activities for the libraries

Collection Development Advisory Team, May 2007 - January 2008

Participate in collection development policy discussion and resource decisions

Institutional Service - The Libraries of The Claremont Colleges

Managers' Forum, July 2006 - March 2007

Participate in Libraries-wide management and planning meetings.

"One Desk" planning group, May - August 2006

Member of the group of library staff charged with merging the circulation and reference desks in the Honnold/Mudd Library.

Search Committee, Digital Library Cataloger, January - February 2006

Member of the personnel committee charged with hiring a metadata professional for the Claremont Colleges Digital Library.

Search Committee, Digital Initiatives Librarian (chair), March - May 2005

Chair of the cross-Colleges committee to identify an experienced librarian to lead the implementation of the Claremont Colleges Digital Library.

Management Council, May 2001 - July 2006

Member of the group charged with general library management and planning (now Manager's Forum).

Directors Group Plus, May 2001 - March 2007

Invited member of the group of Directors and library staff charged with writing libraries strategic and operational planning documents.

OpenURL Special Project Team (convener), Dec 2003 - Aug 2004

Small group of librarians charged with evaluating, choosing and implementing an OpenURL link resolver.

Libraries Digital Projects Special Project Team (chair), Fall 2004

Small group of library staff charged with evaluating and reporting on the Libraries' capacity to create, present and preserve digital projects.

Serials Solutions MARC Special Project Team (chair), Spring 2003

Small group of library staff charged with implementing MARC records for electronic journals holdings accessible to library users in subscriptions and aggregated databases.

WASC Self-Study Steering Committee, 2002 - 2003

Although the Libraries of The Claremont Colleges are not affiliated with a single institution, we engaged a Western Association of Schools and Colleges (WASC) Accreditation Team to evaluate and report on the state of library services and collections.

WASC Self-Study Digital Library Subcommittee (chair), 2002 - 2003

Each WASC subcommittee was charged with writing a “reflective” essay evaluating one of four strategic initiatives. The Digital Library Subcommittee’s essay wrote of the need for additional infrastructure and monies necessary to establish a digital library containing collections of unique works available from the Libraries and The Colleges.

Web Redesign Team, 2002 - 2003

Member of the team of library staff charged with designing and testing a new libraries web site.

Institutional Service - The Claremont Colleges

Security & Privacy Policies Review Committee, September 2006 - March 2007

Small group of Colleges staff charged with evaluating policies for the Blackboard Transaction system.

Sakai Implementation Team, June 2006 - March 2007

Chair of a representational, cross-Colleges group charged with evaluating, testing and training for the Sakai Online Learning Environment, including continuing upgrades and conversion of course content from WebCT.

Directors of Information Technology, May 2001 - March 2007

Monthly meetings of the nine Claremont “DITs” charged with coordinating and cooperating on technology projects where appropriate, with writing appropriate Colleges-wide technology policies and procedures and with managing six Colleges-wide technology subcommittees.

Claremont Colleges Digital Library Advisory Group, January 2004 - March 2007

Initially known as the CCDL Working Group, this group of teaching faculty and library liaisons was charged with writing practical recommendations for the planning and implementation of the CCDL. The group vets policies and best practices and provides guidance for the general direction of the CCDL.

Intercollegiate Academic Computing Committee, May 2001 - September 2005

One of the six technology subcommittees of the DITs, the IACC is charged with coordinating cooperative academic computing efforts across The Colleges, including software purchases.

Sharing our Strengths Mellon Grant Committee, May 2001 - June 2005

Libraries representative to this committee charged with oversight of a three-year Mellon grant to provide technology training to faculty and with maintenance of the WebCT online course management system.

Web Administrators Group (Director Liaison), September 2002 - September 2006

Monthly meeting of those at The Claremont Colleges responsible for maintaining web sites.

Blackboard Steering Committee, December 2001 - September 2003

Small group of cross-Colleges staff charged with planning for and implementing the Blackboard transaction system used for I.D. card and meal plan management and secure door entry. The Libraries use the Blackboard system to control entry to the library and to be able to report per-College library entry statistics.

Institutional Service - University of Kentucky

Voyager Support Team , January 2000 - May 2001

Group of library staff charged with providing training and technical support to users of the Endeavor Voyager Integrated Library System.

Manager, U.K. Women's Studies web site, October 1999 - May 2001

Designed and maintained web site containing program, course, committee and activity information.

Electronic Journals Access Group, October 1999 - May 2001

Group of librarians charged with establishing a better way to provide access to ever-changing electronic journal holdings. No longer available; see early version of interface at the Internet Archive: <http://bit.ly/ukejrnls>

Electronic Products Access Group, November 1999 - May 2001

Group of librarians charged with creating a checklist for evaluating and implementing access to electronic resources on CD or via the web.

Member, U.K. GIS Interest Group, December 1999 - May 2001

Group of interested faculty using ESRI's ArcView and other GIS products in the classroom. This group organized and hosted University GIS Day activities.

Women in Film Series (Co-chair), January 1997 - May 2001

The Film Series consists of a monthly film showing and related speaker or educational activity. Films ranged from *Copycat* to *Eat, Drink, Man, Woman*.

SAALCK Information Literacy Work Group, December 1997 - April 1998

The State-Assisted Academic Library Council of Kentucky's work group on Information Literacy planned for an online tutorial to be hosted by the nascent Kentucky Virtual Library.

Service Center Team (faculty representative), August 1998 - August 1999

Elected to serve as the librarian representative to the libraries' administrative body.

Young Services Team, July 1997 - May 2001

This team of librarian managers was charged with planning and implementing services and programs for the William T. Young Library.

Claremont Colleges Library, January 2015

Honors and Awards

Library Journal Mover & Shaker, 2011

Awarded annually to nearly 50 librarians in recognition for unique contributions to the field.
<http://bit.ly/fu0F4y>

Kentucky Library Association Academic Library Section Professional Development Grant, 2007

Awarded in support of my participation in a collaborative podcast project wherein librarians are interviewed who have used technology to create community among users and other librarians.

2001 University of Kentucky Library Leadership Award: Staff Support

Awarded annually to a librarian in recognition of outstanding work with or in support of library support staff.

1999-2000 Special Libraries Association, Kentucky Chapter, Outstanding Chapter Member Award

Awarded annually to a member in recognition of important or notable contributions to the chapter.

University of Kentucky Library Leadership Awards: Team of the Year

Awarded in three consecutive years to the Electronic Resources / Support Team, 1999, 2000, 2001

Selected Professional Development Activities

- “Creative Problem Solving.” February 28, 2012. EKU Continuing Education and Outreach.
- “Your Library at Webscale.” February 21, 2012. Webcast sponsored by *Library Journal*.
- “Power to the Patron.” December 8, 2011. Webcast sponsored by *Library Journal*.
- “Delivering Innovative Mobile Services through Your Library.” Webcast from ALA TechSource. July 21 and 28, 2011.
- “Discovery Day.” February 18, 2011. Sponsored by SAALCK Librarians.
- Library leadership retreat, October 21-22, 2010. Sponsored by SWON Libraries.
- “Ebooks: Libraries at the Tipping Point.” Virtual summit sponsored by *Library Journal*. September 29, 2010.
- Facilitation Training, April 15-16, 2010. Eastern Kentucky University Facilitation Center.
- Voyager Systems Administrators’ “unconference.” March 15, 2010. University of Kentucky.
- “Handheld Librarian 2.” Online conference sponsored by the Alliance (IL) Library System, February 17 & 18, 2010.
- “The Edgy Librarian.” Online conference sponsored by CALIFA. January 18, 2010.
- “Anytime, Anywhere, Any Device: Developing a Mobile Website for Your Library.” ACRL Preconference workshop, ALA Midwinter, January 15, 2010.
- “The Future of the Library: How the Library Ecosystem is Evolving to Support 21st Century Information Demands.” *Library Journal/Serials Solutions* webcast (rebroadcast 12/14/09)
- “Library Systems and Interoperability: Breaking Down Silos.” NISO Webcast, June 10, 2009.
- “Into the Foothills: a Not-Quite Summit on the Future of Libraries,” Darien, Connecticut, March 26, 2009. Published “The Darien Statements on Libraries and Librarians” afterward; available at <http://bit.ly/8mblzl>.
- “Drupal Camp,” Darien, Connecticut, February 26, 2009.
- “Funneling Ideas into Action,” 2008 Facilitation Conference, EKU Facilitation Center, May 6 & 7, 2008.
- Harvard Graduate School of Education/Association of College & Research Libraries Leadership Institute for Academic Librarians, Cambridge, Massachusetts, August 5-10, 2007.
- “Reinventing Reference II,” RUSA preconference offered at the ALA Annual conference, Washington DC, June 22, 2007.
- SCELCC Colloquium II, Statewide California Electronic Library Consortium, Los Angeles, California, March 7, 2007.
- Sixth Sakai Conference with OSP, Atlanta, Georgia, December 5-8, 2006.
- “Demystifying Virtual Communication,” an all-day workshop offered by the California Association of Research Libraries’ Northern Information Technology Interest Group. August 25, 2006.
- “Web Communication Trends: Blogs, Wikis, Newsfeeds and Aggregators,” web seminar offered by The TLT Group. March 14, 21 & 28, 2006.
- “Introduction to GIS” and “GIS for Information Technology Staff” hands-on GIS training funded by the Sharing Our Strengths Mellon Foundation grant, January 2005.
- “OpenURL Demystified,” a half-day workshop presented by the Los Angeles Chapter of ASIS&T. April 2, 2004.
- The Educause Institute Management Program, a five-day workshop for IT professionals aimed at honing management skills. February 9-13, 2003.
